MAGNETIC MESSAGING

How to have the conversation that leads with ready appointments on the calendar.

I teach people how to do this organically online on FB, Linked, Clubhouse/ PR and Instagram have clients reach out to you.

I found that a human to human approach has been a really effective differentiator in the online marketplace, now more than ever.

Connection and trust is key.

So once the niche is clear the right words to book appointments and setting a high value Framework or context for the actual conversation is vital.

CONVERSION - ENROLLMENT

HEART TO SOUL ENERGY EXCHANGE

How to have the deep and meaningful conversation that lead to purposeful money in the bank and lives being changed with
authenticity and without sabotaging or being salesy.

This is an energy exchange.

Don't overflow your calendar with non qualifying calls.

Set up a calendar, have a qualifying questionnaire and nurture.

MANIFESTING / MINDSET / EMBODIMENT SHIFT - EXPERIENCE THE CHANGE : BE, DO HAVE.

MANIFEST WITH EASE - RELEASE, CREATE, RECEIVE

Do you have 100% belief in yourself on all four levels ? (Is it fully integrated and embodied)
